On Our Selection:

The Life of Such is Life Roger Osborne, 2022-03-01 Since its publication in 1903 Joseph Furphy's *Such is Life* has become established as an Australian classic. But which version of the novel is the authoritative text and what does its history reveal about Australian cultural life? From Furphy's handwritten manuscript through numerous editions, a controversial abridgement for the British market condemned by A. D. Hope as a mutilation, and periods of obscurity and rediscovery, the text has been reshaped and repackaged by many hands. Furphy's first editors at the *Bulletin* diluted his socialist message and corrected his Australian slang to create a more marketable book. Later literary players including Vance and Nettie Palmer, Miles Franklin, Kate Baker, and Angus Robertson all took an interest in how Furphy's work should be published. In a fascinating piece of literary detective work, Osborne traces the book's journey and shows how economic and cultural forces helped to shape the novel we read today. *Encyclopedia of Post-Colonial Literatures in English*, Eugene Benson, L.W. Conolly, 2004-11-30 Post-Colonial Literatures in English, together with English Literature and American Literature, form one of the three major groupings of literature in English and as such are widely studied around the world. Their significance derives from the richness and variety of experience which they reflect. In three volumes, this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories. In more than 1,600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post-colonial experience on literatures in English worldwide. Subcommittee Hearings on H.R. 2733 and H.R. 4200, to Make Certain Revisions in Titles I Through IV of the Officer Personnel Act of 1947, as Amended, and for Other Purposes, United States. Congress. House. Committee on Armed Services. Subcommittee No. 1, 1951. Committee Serial No. 26. Implementation of the Alaska Native Claims Settlement Act, United States. Congress. Senate. Committee on Interior and Insular Affairs, 1976. Outside Country, Alan Mayne, Stephen Atkinson, 2011. While most Australians now live in the major cities on the coast, much of the country's wealth is still derived from the interior, a vast area of scattered and often remote communities, mining towns, and pastoral homesteads, all linked by what historian J. W. McCarty called the Inland Corridor. Culturally too, the interior looms large in Australians' imaginings in tourism campaigns and in the arts and media. But despite this, to most it remains an enigma, an emptiness whose distant rural communities and their populations are the subjects of stubborn misperceptions. *Outside Country* makes an invaluable contribution to the rethinking of inland Australia. Through essays that mix the broad sweep of history with personal perspectives drawn from diaries, letters, oral histories, and literature, it examines the rich and varied social, cultural, and environmental histories of regions that continue to play a crucial role in the ongoing development of the Australian nation. *The Lone Hand*, 1909. **Greater Coal Utilization**, United States.
