*On-Camera Coach* Karin M. Reed, 2017-02-17 The invaluable handbook for acing your on camera appearance *On Camera Coach* is your personal coach for becoming great on camera From Skype interviews and virtual conferences to shareholder presentations and television appearances this book shows you how to master the art of on camera presentation to deliver your message clearly effectively and with confidence Fear of public speaking is common but even the most seasoned speakers freeze in front of a single lens being on camera demands an entirely new set of skills above and beyond the usual presentation to an audience you can actually see It requires special attention to the way you move the way you speak and even the way you dress This book provides the guidance and tools you need to ace it every time Video is powerful and it is everywhere corporate YouTube channels webinars virtual meetings TedTalks and more are increasingly turning the lens on those who typically remain behind the scenes This relatively recent trend will continue to expand as media plays a larger role in business and the ability to appear confident authoritative and polished is becoming a necessary job skill This book shows you everything you need to know about being on camera from preparation through presentation and beyond Learn how to prepare for an on camera appearance Tailor your presentation to on camera demands Discover how the camera interprets wardrobe and body language Appear dynamic confident and engaged when the lens points your way The lens captures everything the awkward pauses the nervous fidgets poor posture and every false start and mistake is captured for posterity Is that the image you want to present You want to get your message across and be heard to do that you must portray authority energy and confidence even when you don't feel it *On Camera Coach* provides the expert instruction and insider secrets that help you make your message sing

**On-Camera Flash** ,2015-10-19 Photographers are always looking for perfect light Unfortunately the quality of available light and the situations in which photos are created are rarely perfect This is especially true when photographing weddings or portraits on location So while finding beautiful existing light is every photographer's ideal it isn't always possible This is the point at which photographers tend to reach for a portable on camera flash Indeed these intense light sources can prove invaluable but only if you know how to use them effectively In the hands of an inexperienced photographer on camera flash will produce images that look flat and lifeless images with harsh shadows washed out skin tones cavernous black backgrounds and other unappealing visual characteristics In this book acclaimed wedding and portrait photographer Neil van Niekerk shows you how to avoid the pitfalls photographers new to speedlights often encounter so that you can produce professional images using on camera flash You'll learn to use simple accessories to manipulate the quality of light from your flash and how to improve a lighting scenario by enhancing rather than overwhelming the existing light When the available light is too low and too uneven to be combined with flash he shows you how to override it completely with flash and with some thought and careful application of specialized techniques still get results that look great On camera flash is one of the most challenging light sources to master but with the techniques in this

book you'll learn to use it with confidence For wedding and environmental portrait photographers who must work in ever changing lighting scenarios this can mean better images and better sales [The Producer's Playbook: Real People on Camera](#) Amy DeLouise,2016-04-14 Producer s Playbook Real People on Camera is a no nonsense guide for producers looking to get the best performances from real people to tell powerful stories on video Director producer Amy DeLouise brings years of experience to this resource for creating the best on screen impact with non actors for interviews re enactments documentary and direct to camera messages With useful case studies and tips on everything from managing locations and budgeting to strategies for managing crews and the expectations of executive producers and clients this is an invaluable resource for professionals working in reality TV documentary corporate video and more Ample case studies with perspectives from industry professionals interviewed by the author as well as her own plentiful stories from the field Tips are featured in sidebars throughout the text so that readers can see how the information applies to real situations Full color photographs allow readers to visualize real world production situations The appendix includes useful templates and checklists for working producers [Auditioning On Camera](#) Joseph Hacker,2013-05-13 To win a screen role an actor must learn to contend with an on camera audition Understanding how to make the crucial adjustments to one s craft that this kind of audition requires is vital to the career of any screen actor Auditioning On Camera sets out the key elements of a successful on camera audition and explains how to put them into practice Joseph Hacker draws on 35 years of acting experience to guide the reader through the screen auditioning process with an engaging and undaunting approach Key elements examined include textual analysis knowing where to look dealing with nerves on camera interviews using the environment retaining the camera s focus The book also features point by point chapter summaries as well as a glossary of acting and technical terms and is a comprehensive and enlightening resource for screen actors of all levels **Camera** ,1930 *Bulletin ...* Engineering Institute of Canada,1907 **Bulletin** American Chamber of Commerce in Italy,1915 **The Amateur Photographer and Photographic News** Charles W.
