Poisoned Reign:

Three Curses and Other Dark Tales Leanbh Pearson, 2024-06-24 Come closer let me tell you a tale or three Sit nearer the firelight and if you notice the folk in the shadows best not garner their attention Beware the gifts treasures and promises you make along this journey There are temptations and curses too plenty of those From the tricks of jinn vengeful Ancient Mesopotamian goddesses the Hidden People and shadowy deals with demons devils many In our journey through fairy tales reimagined legends and folklore and alternate histories beware the uncanny folk who prey on unwary travellers Mind your step now keep your senses sharp take nothing offered and you might evade those beings hidden just beyond the reach of the firelight

Life-Less Quentin Allen, 2022-11-03 Reign Homburg has a pretty decent life in Pendleton Oregon as a student nursing assistant in college with her family and best friends Jen Keller and Izaak Pettis Everything was quite normal Besides her older sister Sky Homburg going missing a few years back everything seems to be going great for her but when Jen asks her and Izaak to go to a party with her that's when her whole life changes completely Instantly she starts to notice some weird and obvious changes with herself throwing up regular food becoming sensitive to sunlight and an uncontrollable hunger Scared clueless and without memory of the party Reign wants to figure out who did this and why She notices she's changing into something else something unable to relate to her old society anymore Oblivious to the underground society of vampires that have always controlled entertainment media and even politics before in plain sight Reign will discover how this new society works and learn to control her impulses while her questions pile her trust for everyone around her descends Not only is she a vampire but she may end up being one of the youngest and most powerful vampires in the country maybe even the world Reign must learn to part from her old life and join a new one one that has her not only feed on the blood of mortals but their strife and hate toward one another too ignoring her rare morals new to a world of power excitement and lifelessness

Poisons Alexander Wynter Blyth, 1895 **The mummy** Ernest A. Wallis Budge, 1893 **The mummy, chapters on Egyptian funereal archaeology** sir Ernest Alfred T. Wallis Budge, 1893 *The Mummy* Sir Ernest Alfred Wallis Budge, 1893 **Poison's Dark Works in Renaissance England** Miranda Wilson, 2013-12-24 *Poison's Dark Works in Renaissance England* considers the ways sixteenth and seventeenth century fears of poisoning prompt new models for understanding the world even as the fictive qualities of poisoning frustrate attempts at certainty Whether English writers invoke literal poisons as they do in so many revenge dramas homicide cases and medical documents or whether poisoning appears more metaphorically as it does in a host of theological legal philosophical popular and literary works this particular invisible weapon easily comes to embody the darkest elements of a more general English appetite for imagining the hidden correlations between the seen and the unseen This book is an inherently interdisciplinary project This book works from the premise that accounts of poisons and their operations in Renaissance texts are neither incidental nor purely sensational rather they do moral political and religious work which can best be assessed when we consider poisoning as part of the

texture of Renaissance culture Placing little known or less studied texts medical reports legal accounts or anonymous pamphlets alongside those most familiar to scholars and the larger public such as poetry by Edmund Spenser and plays by William Shakespeare and Thomas Middleton allows us to appreciate the almost gravitational pull exerted by the notion of poison in the Renaissance Considering a variety of texts written for disparate audiences and with diverse purposes makes apparent the ways this crime functions as both a local problem to be solved and as an apt metaphor for the complications of epistemology
