Polycymaking In Japan Defining The Role Of Politicians:

Polycymaking in Japan; Defining the Role of Politicians Nihon Kokusai Kōryū Sentā,2002-06 A major evolution in Japan s system of governance has been taking place in recent years as politicians have increasingly begun to participate in the polycymaking process where bureaucrats used to play the predominant role The six chapters in this volume are written by members of the Diet from the Liberal Democratic Democratic and New Komeito parties These members of the new generation of politicians in Japan are concerned about designing a new architecture for polycymaking Relations between politicians and bureaucrats and how those relations should be restructured are discussed Restructuring the polycymaking process also involves questions of the relationships between the prime minister and the governing party organizations the role of Diet committees and the issue of staff support for politicians parties the Diet and the prime minister Each chapter explores these and other polycymaking matters in the context of a specific policy issue such as finance information technology public works education and corporate policy Chapters provide important insights into the substantive issue at hand and the policy process relating to it Contributors include Japanese House of Representatives members Nemoto Takumi Furukawa Motohisa Ito Tatsuya Maehara Seiji Hase Hiroshi and Ueda Isamu

The Subversive Activities Prevention Law of Japan Cecil H. Uyehara,2010 The Subversive Activities Prevention Law SAPL was the last major controversial law to be drafted at the end of the Allied Occupation of Japan 1945 1952 which was managed and controlled by General Headquarters GHQ under U S General MacArthur and was enacted into law after Japan had regained its formal independence in 1952 Soon after the Occupation began prewar Japanese internal security laws were ordered abolished by the Occupation Now that Japan would be re gaining its independence in 1952 there was urgency to creating a new integrated national internal security law to fill the vacuum created by the Occupation 1945 1952 The Subversive Activities Prevention Law was to be the centerpiece for maintaining internal security in the new independent Japan It turned out to be an extremely controversial law that was vociferously opposed by the political opposition in and out of the Diet in light of the prewar history surrounding how such internal security laws were implemented by the state security apparatus The demonstrations in 1951 52 against the proposed law organized by the labor unions were the largest loudest and most determined since the end of the war This publication is the first analysis in English on how this law was drafted and debated supported and opposed using the 20 drafts of the law and the subsequent deliberations concerning the proposed law in the Houses of Representatives and Councillors A short epilogue since over 50 years have elapsed since the law was initially enacted in 1952 analyzes the implementation of the law during these years The Subversive Activities Prevention Law of Japan Its Creation 1951 1952 will be of particular interest to those studying the Allied Occupation of Japan the Japanese political and legislative process and its internal security laws

The Politics of Political Reform in Japan Ko Mishima,2004 The Journal of Japanese Studies ,2004 **European Journal of East Asian Studies** ,2006 **Democracy Without Competition in Japan** Ethan Scheiner,2006 This book

explains why no opposition party has been able to offer itself as a sustained challenger in Japan

Japan's Security Identity Bhubhinder Singh, 2013 Since the end of the Cold War there has been a significant change in Japanese security policy as Japan's security identity has shifted from a peace state to an international state In this book Bhubhinder Singh argues that from the 1990s onwards the Japanese security policymaking elite recognized that its earlier approach to security policy which was influenced by the peace state security identity was no longer appropriate Rather as a member of the international community Japan had to carve out a responsible role in regional and international security affairs which required greater emphasis on the role of the military in Japan's security policy To explore the change in Japan's security identity and its associated security behaviour this book contrasts the three areas that define and shape Japanese security policy Japan's conception or definition of national security the country's contribution in military terms to regional and international affairs and the changes to the security policy regime responsible for the security policy formulation Further it seeks to challenge the dominant realist interpretation of Japanese security policy by adopting an identity based approach and showing how whilst realist accounts correctly capture the trajectory of Japanese post Cold War security policy they fail to explain the underlying causes of the change in Japanese security behaviour in the post Cold War period This book is an important addition to the current literature on Japanese security policy and will be of great use to students and scholars interested in Japanese and Asian politics as well as security studies and international relations more broadly

Critical Readings on the Liberal Democratic Party in Japan Robert Pekkanen, 2018-10-02 This work collects decades of the best published scholarship in English on the unequivocally most successful political party in Japanese history the Liberal Democratic Party the LDP Governing Japan for almost the entirety of the post war period the LDP also has a claim to be the most successful political party in any post war democracy Seminal articles in this collection explore the key aspects of the LDP the party's evolution since its founding in 1955 key facets of the LDP's internal organization including factions and koenkai the LDP in policy making including its relationship with the bureaucracy and interest groups as well as its policy making committee apparatus and party leadership including the premierships of Junichiro Koizumi and Shinzo Abe

Japan in International Politics Thomas U. Berger, Mike Mochizuki, Jitsuo Tsuchiyama, 2007 How have shifts in both the international environment and domestic politics affected the trajectory of Japanese foreign policy Does it still make sense to depict Japan as passive and reactive or have the country's leaders become strategic and proactive This book presents a nuanced picture of Japanese foreign policy emphasizing the ways in which slow adaptive changes informed by pragmatic liberalism have served the national interest

The Political Economy of Japan's Low Fertility Frances McCall Rosenbluth, 2007 This book argues that Japan's extremely low fertility rate is due to labor markets inhospitable to women which make it difficult for them to balance home and work and discourage them from having as many children as they want

Naval War College Review, 2010 Asian Survey, 2007 **Journal of the Asiatic Society of Bangladesh**, 2006 *Central European Political*

Science Review ,2004 **The Heritage of World Civilizations** Albert M. Craig,2007 For courses in World History I to 1500 and World History II since 1500 This highly visual brief text provides and engaging overview of human civilization The Teaching Learning Classroom edition of the highly successful Heritage of World Civilizations Seventh Edition provides your students with the most help available in reading thinking about and applying the material they learn in the text and in the classroom A series of pedagogical aids and in text and additional study resources as well as complete instructor presentational and assessment support both make this text the perfect choice for those looking to make history come alive for their students Written by leading historians this is the book that will change the way you feel about history Prentice Hall developed this text to bring history to your students with more visual appeal than ever This is the book that they will want to read because it is interesting They will think about what you re reading because it has relevance to their life With this book and the multimedia tools we crafted to accompany it your students will truly experience history s dramatic trials and passionate triumphs in a way that adds meaning to their own life And they will score better on tests because preparation will be easier and less time consuming than they ever dreamed possible **Japanese Policymaking** Quansheng Zhao,1993-02-22 Japan s policymaking is given that nation s economic prowess and history of considerable worldwide interest Quansheng Zhao makes a highly original and important contribution to an improved understanding of Japanese policymaking processes by examining several informal approaches or mechanisms which in their interrelationships directly impact policy formulation He examines kuromaku or the informal organizations or political actors isuskiai or social connections and nemawashi or the behind the scenes preparations and shows their effect on policy through detailed empirical analysis Four case studies involving Japan s policies toward China offer special and captivating insights into Sino Japanese relations and provide lessons relative to the country s international policies The highly informed treatment of political institutions social environments and political cultures will provide a needed understanding of essential elements affecting the stance Japan takes vis a vis other countries **Policy Change and Political Leadership in Japan** Myon Woo Lee,1994 *The American Political Science Review* ,1984 *Japan Political Research* ,1999 **A Bureaucratic Organization in a Network Setting** Jaeho Yeom,1990
