Next Stop Glen Finland, 2012-03-29 The summer David Finland was twenty one years old he and his mother Glen navigated the Washington D C Metro trains Every day David has autism and the hope was that if he could learn the train lines maybe he could get a job And if he could get a job then maybe he could move out on his own And maybe his parents marriage could get the jump start it so desperately needed Maybe A candid portrait of a differently abled young man poised at the entry to adulthood *Next Stop* recounts the complex relationship between a child with autism and his family as he steps out into the real world alone for the first time This personal narrative of a mother s perpetually tested hope is a universal story of how our children grow up and how we learn to let go and reclaim our lives no matter how hard that may be *Sir, When Is Our Next Stop?* Terry G.
