## **Pro Golf Scouting Report:**

*The Pro Golf Scouting Report* John Gordon, 1998 This book examines each player and tournament course on the PGA, LPGA and Senior PGA tours in the sort of detail that was previously available only to sports journalists and corporate endorsement scouts. Specifically each player on these three major tours receives a single page treatment in which their statistics, personal information, career history and the strengths and weaknesses of their game are analyzed in close detail. A photograph of each player is also included. Each tour event is also described and the host course is closely examined including a thumbnail course map, yardage chart, course history and the highlights or difficulties of how it plays. The result is the most detailed examination of the coming PGA season available. It will be possible for the reader to anticipate the courses on the Tour that certain golfers excel at or to anticipate and watch for certain golfers to have breakthrough years, declines in their play, injury difficulties and other factors that make following the world of Pro Golf that much more interesting. 1999 Pro Golf Scouting Report John Gordon, 1999-02-01

**Project Tiger** Gavin Newsham, 2006-03-17 The inside story of young Tiger Woods training for greatness, developing the unique traits that would not only help him achieve the pinnacle of success but also ingrain the personal flaws that brought him crashing down. Eldrick Tiger Woods was transcendent, ultimately eclipsing superstar athlete status to becoming a global household name. Yet his story remains enigmatic. In *Project Tiger*, veteran golf journalist Gavin Newsham uncovers the answers, providing a portrait of the greatest golfer ever as a young man, a rendering that refines and deepens our understanding of his character and legacy. Tiger's mother, Kultida, nurtured him, keeping him focused, but no one was more instrumental in sculpting him as a golfer and as a man than his father. With Tiger swinging golf clubs before his first birthday, Earl Woods took the mantle as drill sergeant, coach, coldly imposing his *Project Tiger* goals to lead his son to sports stardom. Following these intense expectations, Tiger grew up with fear and obsession. Fear that any childhood injury could ruin his life, but obsessive fuel to be the best. Even at age six, Tiger lasted only fifteen minutes at the LA Open, watching others play before he begged to leave and find somewhere he could practice. As he got older and impatient, he snuck onto golf courses, including the ultra-exclusive Cypress Point Golf Club, to play a few holes before being thrown off. By the time he made his pro debut at twenty years old, the chaotic crowd and media blitz engulfed him, and it included racism more hostile than any other living athlete has endured. And with Tiger's rapid ascension, also emerged entitlement and arrogance. He learned to ignore people who were no longer valuable to him, such as abruptly sacking his first agent soon after he signed deals worth 60 million. Gavin Newsham leaves no stone unturned as he shares these behind-the-scenes stories from Tiger's coaches, rivals, golf role models, and even girlfriends to chart his spectacular amateur rise and dominant triumph, along with the warning signs of scandal and monumental downfall decades later. Only in *Project Tiger* can you witness the exhilaration and the consequences that history's most sensational golf prodigy's achieving greatness brings. Baseball, Golf, Wars, Women & Puppies Buck Peden, 2011-08-10 I started my autobiography *Baseball*

Golf Wars Women Puppies with a grabber page from my first trip to the Vietnam War on board the USS PERKINS DD 877 Then I followed with a chronological rendition which covered a trip to the Korean War and another to Vietnam during my 20 years in the U S Navy on three other different naval vessels but began with the chronological format of a life of a river rat born somewhat infamously in 1932 on the banks of Memphis My life in sports approximately 16 years moonlighting as a photojournalist my college education followed by 12 years as executives with the Chicago White Sox 5 and Cubs 7 concluding with one of several ownerships of small companies rounded out my interesting career I originally planned to continue with my three trips to the Vietnam and Korean Wars including my injury and sad losses of shipmates and friends Then go to my childhood parenthood many exciting careers etc etc etc However it didnt take too long for me to decide the categories overlap in too many places Hence A few years later Elvis Presley arrived on the planet and eventually became internationally famous there Memphis long known as the Home of the Blues was to become also famous as the home of the King of Rock n Roll My first high school Whitehaven is only a few blocks from Elvis Graceland And my Southside High bride and I began training our dancing shoes to the big bands of the 40s and peaked with the rocking and twisting of the 50s and 60s Although only a senior to be in high school the Korean War found me an early enlistee Why Because I was a youngster almost entering teenage during World War II Everything was thrilling about the big one for a boy that age All the toys were guns tanks jeeps warplanes etc The war movies were always exciting and in most cases the hero ended up with the female star As I was a young budding teenager females were becoming of more interest in my life I have never met any male whose sex life began earlier than mine older girls are great teachers Also the U S Navy aircraft pilots were my idols Landing airplanes on a sea going vessel was my kind of challenge I was so hooked that I joined the Navy to become a fighter pilot The recruiter was surprised at how I could identify all aircraft of nations involved in WWII I even memorized the horsepower of power plant s plus the cruising and maximum speed of each airplane My favorite was our Corsairs F4U a gull winged propeller fighter It never occurred to me until this moment recalling this tidbit but one of these planes almost killed me However the moonlighting working a civilian job at night on shore duty between these wars helped prepare me for my career highlight era in Major League Baseball There is no doubt about it my leash of life is anchored to the sportsworld My youth was playing or inventing sports orientated things It gave me a second glance by people in the sportswriting and sportscasting fields This all led to sports columnist and sports editor jobs in the newspaper business This along with learning the print business was not only a challenge which I always relished but was mucho fun The many hours and stress involved led to more and more alcohol Which definitely made a honky tonk man out of me where there is plenty of wine women and song The latter threesomes were like a personal little cloud that follows me throughout most of this autobiography I wasnt able to attend college fulltime until I finished my 20 years in the U S Navy Then finishing With Honors gave my mother extreme pride after her total education was a small 12 total students high school in sticks of Mississippi I had almost completed by Masters
