## **Metternich's Europe:**

**Metternich's Europe** Mack Walker, 1968-06-18 **Metternich's Europe** Mack Walker, 1968 Contains the basic primary sources which provide an understanding of European history from 1815 to 1848 The material is arranged around central topics in economic social and intellectual history as well as some of the traditional chronological blocs **The Decline of the Congress System** Miroslav Šedivý, 2018-07-30 Following the Congress of Vienna in 1815 the Congress System became the primary instrument of diplomacy in Europe So central was the Austrian Chancellor Metternich to the political legal Congress System that the period has often been referred to as the Age of Metternich In this book Miroslav Šedivý analyses Metternich's policy towards the pre united Italian states from 1830 to 1848 With an emphasis on geopolitics and international law and drawing attention to the unsettled role of the Italian states within European diplomacy in the period this book explains why the Italian peninsula never developed into the stable region that Metternich hoped to establish at the heart of the Congress System Owing to the self interested policies of some European Powers as well as the larger of the Italian states Metternich proved unable to bring about the transformation of European politics in Italy Using a thorough analysis of the role that Italy played in the Congress System and based on extensive research in 18 European archives this book explains why it was in Italy that the first war broke out after the end of the Napoleonic Wars an event representing the first brutal blow to the Congress System Metternich Alan Palmer, 2014-06-12 A glib assessment of Metternich might not be a favourable one he was not without his ridiculous qualities and yet he survived more than survived in fact with the Age of Metternich lasting for more than a generation and giving Europe a measure of peace albeit repressive that was much needed after the Napoleonic convulsions Alan Palmer describes well Metternich's extraordinary longevity Clement von Metternich held continuous office at the head of Europe's affairs for a longer period of time than any other statesman in modern history he became foreign minister of the Austrian Empire in the autumn of 1809 and he did not resign until the spring of 1848 For thirty three of these thirty nine years his statecraft and philosophy of government determined the political pattern of the continent The Age of Metternich though often impatiently dismissed by historians as a mere interlude lasted for twice as long as the Age of Napoleon which preceded it and for half as long again as the Age of Bismarck which followed in the closing decades of the century Metternich was a statesman to his fingertips practising the skills of diplomacy with greater fluency than any contemporary Talleyrand from whom he had learnt many of the refinement of the game How would he fare today Probably quite well as he was again in Alan Palmer's words an early champion of federalism and a good European As a work of history it cannot be faulted A J P Taylor Observer Well written well researched lucid and witty Philip Ziegler The Times *A Student's Note-book of European History, 1789-1848* J. S. Lindsey, 1904 **The Age of Metternich, 1814-1848** Arthur James May, 1963 Metternich Desmond Seward, 2015-07-21 Biography of Clemons von Metternich who destroyed Napoleon directed Habsburg Austria's policy for forty years and tried to unify Europe **Re-making of Europe.**

**European powers to-day. The British Empire. The Atlantic Ocean** Arthur Mee,1909      **The Encyclopædia Britannica** ,1911      Metternich's Diplomacy at its Zenith, 1820-1823 Paul W. Schroeder,2014-05-23 What Metternich wanted at the peak of his career why he wanted it and the methods by which he achieved his goals are questions brilliantly answered in this survey and analysis of the Austrian chancellor's diplomacy during the period when he was the pre eminent figure in European politics Metternich's single minded objective during 1820-1823 was to preserve the Austrian hegemony he had gained in Central Europe after long wars enormous effort and great sacrifice If the internal security and international power position secured by Austria at the Congress of Vienna were to be defended against the impact of widespread revolution in Europe it was imperative that peace in Europe and the status quo be maintained This required an unyielding opposition to all political movements that might disturb the equilibrium especially French chauvinism and the spread of French constitutional ideas A one man distillate of the doctrine of absolute monarchy Metternich was the relentless foe of any cause just or unjust that threatened European repose Hence when the revolution in Naples seriously menaced Austrian hegemony in Italy Metternich determined that the constitutional regime in Naples must be overthrown by an Austrian armed force an absolute monarchy restored and an Austrian army of occupation kept there Nor did he scruple to use duplicity secret negotiation trickery or deceit against ally and adversary alike in his effort to enlist them in the common cause of all thrones At the Congress of Troppau Metternich succeeded not only in defeating Russian ideas for peaceful intervention and a moderate constitution at Naples but also in converting Tsar Alexander to thoroughly conservative views thereby making Russia a powerful supporter of Austrian policies and knowingly alienating England formerly Austria's closest ally Paul W Schroeder brings to this book exceptional scholarship and an objectivity hard to attain when dealing with a personality Although Metternich as Schroeder sees him doubtless helped to maintain European peace and order his real greatness consisted not in his European principles but in his ability to defend Austrian interests under the guise of European principles The evidence gathered from documentary material in the Haus Hof und Staatsarchiv in Vienna has forced the author to the conclusion that Metternich was no real statesman The very qualities that distinguished him as a brilliant diplomat keen vision cogent analysis fertility of expedients farsightedness flexibility and firmness of purpose were converted into those of blindness to reality superficial analysis sterility of expedients dogmatism and failure of will when confronted with fundamental problems of state and society      Europe's Balance of Power, 1815-1848 Alan Sked,1979      **A History of European Peoples** Clarence Perkins,1927      *The European Policy of Prince Metternich, 1773-1821* Dorothy Lawrence Healy,1920      Makers of Nineteenth-century Europe Ralph Flenley,1927      *The Encyclopædia Britannica* Hugh Chisholm,1911      **Prince Metternich** Raoul Auernheimer,1940      **The World-wide Encyclopedia and Gazetteer** William Harrison De Puy,1899      **Interpreting European History: From Metternich to the present** Brison Dowling Gooch,1968      Americanized Encyclopedia Britannica, Revised and Amended ,1890      Readings in European History: From
