Mi Raza Primero:

Mi Raza Primero, My People First Ernesto Chávez, 2002-10-24 *Mi Raza Primero* is the first book to examine the Chicano movement's development in one locale in this case Los Angeles home of the largest population of people of Mexican descent outside of Mexico City Ernesto Chávez focuses on four organizations that constituted the heart of the movement The Brown Berets the Chicano Moratorium Committee La Raza Unida Party and the Centro de Acción Social Autónoma commonly known as CASA Chávez examines and chronicles the ideas and tactics of the insurgency's leaders and their followers who while differing in their goals and tactics nonetheless came together as Chicanos and reformers Deftly combining personal recollection and interviews of movement participants with an array of archival newspaper and secondary sources Chávez provides an absorbing account of the events that constituted the Los Angeles based Chicano movement At the same time he offers insights into the emergence and the fate of the movement elsewhere He presents a critical analysis of the concept of Chicano nationalism an idea shared by all leaders of the insurgency and places it within a larger global and comparative framework Examining such variables as gender class age and power relationships this book offers a sophisticated consideration of how ethnic nationalism and identity functioned in the United States during the 1960s and 1970s

Mexicano Political Experience in Occupied Aztlan Armando Navarro, 2005-07-14 This exciting new volume from Armando Navarro offers the most current and comprehensive political history of the Mexicano experience in the United States He examines in depth topics such as American political culture electoral politics demography and organizational development Viewing Mexicanos today as an occupied and colonized people he calls for the formation of a new movement to reinvigorate the struggle for resistance and change among Mexicanos Navarro envisions a new political and cultural landscape as the dominant Latino population Re Mexicanizes the U S into a more multicultural and multiethnic society This book will be a valuable resource for political and social activists and teaching tool for political theory Latino politics ethnic and minority politics race relations in the United States and social movements

Remembering Conquest Omar Valerio-Jiménez, 2024-04-10 This book analyzes the ways collective memories of the US Mexico War have shaped Mexican Americans civil rights struggles over several generations As the first Latinx people incorporated into the nation Mexican Americans were offered US citizenship by the Treaty of Guadalupe Hidalgo which ended the war Because the 1790 Naturalization Act declared whites solely eligible for citizenship the treaty pronounced Mexican Americans to be legally white While their incorporation as citizens appeared as progress towards racial justice and the electorate's diversification their second class citizenship demonstrated a retrenchment in racial progress Over several generations civil rights activists summoned conquest memories to link Mexican Americans poverty electoral disenfranchisement low educational attainment and health disparities to structural and institutional inequalities resulting from racial retrenchments Activists also recalled the treaty's citizenship guarantees to push for property rights protection from vigilante attacks and educational reform Omar

Valerio Jim nez addresses the politics of memory by exploring how succeeding generations reinforced or modified earlier memories of conquest according to their contemporary social and political contexts The book also examines collective memories in the US and Mexico to illustrate transnational influences on Mexican Americans and to demonstrate how community and national memories can be used strategically to advance political agendas **East of East** Romeo Guzmán,Caribbean Fragoza,Alex Sayf Cummings,Ryan Reft,2020-02-14 East of East The Making of Greater El Monte is an edited collection of thirty one essays that trace the experience of a California community over three centuries from eighteenth century Spanish colonization to twenty first century globalization Employing traditional historical scholarship oral history creative nonfiction and original art the book provides a radical new history of El Monte and South El Monte showing how interdisciplinary and community engaged scholarship can break new ground in public history East of East tells stories that have been excluded from dominant historical narratives stories that long survived only in the popular memory of residents as well as narratives that have been almost completely buried and all but forgotten Its cast of characters includes white vigilantes Mexican anarchists Japanese farmers labor organizers civil rights pioneers and punk rockers as well as the ordinary and unnamed youth who generated a vibrant local culture at dances and dive bars **La Raza** ,1972 All Power to the People Jason Michael Ferreira,2003 Chicano Periodical Index ,1981 **The Western Historical Quarterly** ,2011 *Low Rider* ,1994-07 Nuestro ,1980 **Declarations of Independence** James L.
