Dentro de la fuente

Al recitar el Wird Mevlevi, comenzamos en el nombre de Dios, que es Paz, y nuestro último retorno es a nuestro Sostén que es Paz. Al entrar en la ciudad santa de la Meca, que es el santuario santo que rodea a la Kaaba, uno entra por la Puerta de la Paz, Bab As-Salaam. Cuando uno entra durante el Hajj, uno recita una oración que invoca la Paz del Señor y que contiene palabras semejantes a aquellas del inicio del Wird. El Recinto Sagrado es un lugar seguro, libre de la turbulencia de los mundos exteriores. Al entrar en el Wird Mevlevi, comenzamos de la misma manera, reconociendo a Aquel que nos llena de vida mediante Paz y a quien se le debe toda alabanza. "Permitenos entrar a Tu Jardín, la Morada de la Paz." Ahora, en este momento, permitenos entrar, permitenos seguir el flujo de agua de este Wird hacia su origen, al Jardín de la Presencia. Que continuamente

Mevlevi Wird:

The Mevlevi Wird Camille Adams Helminski, 2000 *Women of Sufism* Camille Adams Helminski, 2003-02-25 This collection of Sufi poetry and songs is an inspiring source to deepen our knowledge of Sufism by the examples and teachings of beautiful and wise Sufi women Sufism The luminous presence of women who follow the Sufi Way the mystical path of Islam is brought to life here through their sacred songs and poetry their dreams and visions and stories of their efforts as they witness the Truth in many realms These writings reflect the honor and respect for the feminine in the Sufi worldview and they are shared in the spirit of inspiration and hope for the flourishing contributions of women to the spiritual development of humanity Spanning the centuries from the time of the Prophet Muhammad to the present day the selections are by or about an array of Sufi traditions in different parts of the world from Asia Africa and the Middle East to Europe and America from beloved members of the Prophet's family to the mystic Rabi'a al-Adawiyya to the modern scholar Annemarie Schimmel Biographical anecdotes and personal memoirs provide a glimpse into the experience of great saints and contemporary practitioners alike while providing an introduction to the principles and practices of Sufism **Contemporary Sufism** Meena Sharify-Funk, William Dickson, Merin Shobhana Xavier, 2017-12-22 What is Sufism Contemporary views vary tremendously even among Sufis themselves Contemporary Sufism Piety Politics and Popular Culture brings to light the religious frameworks that shape the views of Sufism's friends adversaries admirers and detractors and in the process helps readers better understand the diversity of contemporary Sufism the pressures and cultural openings to which it responds and the many divergent opinions about contemporary Sufism's relationship to Islam The three main themes piety politics and popular culture are explored in relation to the Islamic and Western contexts that shape them as well as to the historical conditions that frame contemporary debates This book is split into three parts Sufism and anti Sufism in contemporary contexts Contemporary Sufism in the West Poetic influences and popular manifestations Gendering Sufism Tradition and transformation This book will fascinate anyone interested in the challenges of contemporary Sufism as well as its relationship to Islam gender and the West It offers an ideal starting point from which undergraduate and postgraduate students teachers and lecturers can explore Sufism today *The Mysterion* Kabir Helminski, 2023-04-04 A contemporary exploration into the meaning and possibility of our human existence through the universal insights of the 13th century Persian poet and Sufi mystic Rumi by pre eminent Rumi translator Kabir Helminski The 13th century poet and mystic Rumi has become one of the most popular spiritual voices of our time known and loved by people of many faiths and worldviews for his rich metaphors images poems and stories *The Mysterion* deepens our appreciation of his teachings by illuminating both the practical psychological dimension behind them as well as the universal spiritual truths they offer about what it means to be human In this philosophical survey Kabir Helminski one of the foremost translators and writers of Sufi texts gives us a contemporary lens through which to view and understand the Mysterion the unifying concept that bridges the human and the divine and

that connects the individual soul with spiritual Reality This book is centered on that core unifying concept of the Mysterion the essence and intrinsic meaning of being human Rumi says Helminski would suggest that in our human existence we might accomplish many marvels but they will amount to little if we neglect cultivating the divine potential within us Like a mirror he says we can reflect a spectrum of divine qualities depending on how polished and clean our mirror is Likewise our mirrors can become distorted and corroded by egoism and negativity Our practical work says Helminski and Rumi is to remove distortions from our souls and align ourselves with this higher order reality and divine agency through humility reverence surrender and love

Theology Without Walls Jerry L. Martin, 2019-10-01 Thinking about ultimate reality is becoming increasingly transreligious This transreligious turn follows inevitably from the discovery of divine truths in multiple traditions Global communications bring the full range of religious ideas and practices to anyone with access to the internet Moreover the growth of the nones and those who describe themselves as spiritual but not religious creates a pressing need for theological thinking not bound by prescribed doctrines and fixed rituals This book responds to this vital need The chapters in this volume each examine the claim that if the aim of theology is to know and articulate all we can about the divine reality and if revelations enlightenments and insights into that reality are not limited to a single tradition then what is called for is a theology without confessional restrictions In other words a Theology Without Walls To ground the project in examples the volume provides emerging models of transreligious inquiry It also includes sympathetic critics who raise valid concerns that such a theology must face This is a book that will be of urgent interest to theologians religious studies scholars and philosophers of religion It will be especially suitable for those interested in comparative theology inter religious and interfaith understanding new trends in constructive theology normative religious studies and global philosophy of religion

Sufism Today Catharina Raudvere, Leif Stenberg, 2009 This book offers the first sustained treatment of Sufism in the context of modern Muslim communities It is also innovative in that it broadens the purview of the study of Sufism to look at the subject right across international boundaries from Canada to Brazil and from Denmark to the UK and USA Subjects discussed include the politics of Sufism the remaking of Turkish Sufism tradition and cultural creativity among Syrian Sufi communities the globalization of Sufi networks and their transplantation in America Iranian Sufism in London and Naqshbandi Sufism in Sweden In its thorough examination of how Sufi rituals traditions and theologies have been adapted by late modern religiosity this volume will make indispensable reading for all scholars and students of modern Islam
