Searching For Thirtyseven:

The Search Christiane Heggan, 2014-07-15 When Philadelphia assistant district attorney Sydney Cooper gets an urgent late night call from her best friend asking to meet her she can't help but wonder what kind of trouble investigative journalist Lily Gilmore has gotten herself into this time. But exasperation soon turns to fear when she becomes the sole witness to her friend's brutal kidnapping. Knowing she cannot rely on local law enforcement Sydney believes she's Lily's best hope for survival. Armed with only her determination Sydney delves deep into Lily's two latest high profile cases with shocking results. But when Jake Sloan an enigmatic stranger comes to her aid Sydney slowly realizes that Lily's disappearance is more complicated than she ever imagined. In a perilous race against the clock Jake and Sydney must uncover a kidnapper's motives before the search is too late.

The Search for Us Susan Azim Boyer, 2023-10-24 A sharp witted and illuminating impressive sophomore novel Isaac Blum author of the award nominated *The Life and Crimes of Hoodie Rosen* Two half siblings who have never met embark on a search together for the Iranian immigrant and U S Army veteran father they never knew Samira Murphy will do anything to keep her fractured family from falling apart including caring for her widowed grandmother and getting her older brother into recovery for alcohol addiction. With attendance at her dream college on the line she takes a long shot DNA test to find the support she so desperately needs from a father she hasn't seen since she was a baby. Henry Owen is torn between his well meaning but unreliable bio mom and his overly strict aunt and uncle who stepped in to raise him but don't seem to see him for who he is. Looking to forge a stronger connection to his own identity he takes a DNA test to find the one person who might love him for exactly who he is the biological father he never knew. Instead of a DNA match with their father Samira and Henry are matched with each other. They begin to search for their father together and slowly unravel the difficult truth of their shared past forming a connection that only siblings can have and recovering precious parts of their past that have been lost. Brimming with emotional resonance Susan Azim Boyer's *The Search for Us* beautifully renders what it means to find your place in the world through the deep and abiding power of family.

The Panhandle Search J.R. Roberts, *In Search of Jason* Andrew Grover, 2000-09-01 IN SEARCH OF JASON is the story of Jason Reilly a lowly employee at B Pictures a cut rate New York City film production company whose owner Mr B is a confidante of many curious characters inhabiting both sides of the law. In the course of one of his many errands for Mr B Jason goes to hand some papers to a diplomat at the United Nations and in the course of his time there misplaces a film script he was carrying. From that loss dire consequences arise for the film for which the script was written was to have been shot in the Caribbean with the production serving as cover for a drug courier operation run by one of Mr B's less than legitimate pals an underworld dynamo named Sicky. In addition to his illegal interests Sicky has entertained a lifelong legitimate interest in some day becoming a major feature film producer. Thus the idea of someone like Jason not only endangering his profits which would be bad enough but also imperiling his cinematic

opportunity of a lifetime is an outrage to which the only answer can be one of summary execution Now its one thing when youre seeking to prove your innocence to a law officer who theoretically is subject to some constraints but when youre trying to explain yourself to a paranoid gunman who acknowledges no laws save those in his own options become more limited Such is the case for Jason So after narrowly avoiding being murdered in his bed and getting run over by a speeding car aimed at a pay phone booth hes calling from Jason makes his escape from the city He heads for the New Jersey Turnpike Chesapeake Bay Virginia the Carolinas Georgia the Florida swamps Miami and finally the Caribbeans blue carpet Along he way he picks up a partner in crime or perhaps innocence Dr Sam Albert is a former 1960s college revolutionary present day psychiatrist and off hours bush pilot whose set of wings Jason finds useful in Miami when the ships captain hes hired to take him afloat begins to cause problems Later while island hopping in the Caribbean with Albert Jason gets unwittingly another partner in the form of Aringapu a Central American Indian whose ancestors 500 years earlier were either massacred or driven off the very island where Sicky now proposes to set up his supreme shoot You wouldnt expect Jason to come to earth practically right under Sickys Ray Bans Youd think it would be the last place Aringapu would want to turn up in too Youd think above all that the good Dr Albert skilled in providing wise counsel and comfort would look out for Jasons interests and fly him out at once Youd be wrong on all counts particularly on the last You might also expect on this page to find out how it all wraps up but this place is meant to stimulate your appetite not satiate it All that can be said for now is that in a curious and appropriate way the punishment fits the crime

A Search for Donald Cottee Philip Spires,2012-08-21 A Search for Donald Cottee is a comic tragedy about individualism Donald nicknamed Donkey is an internet Quixote bent on doing good works Donkey Cottee and his wife Poncho Suzie have retired to Benidorm on Spain s Costa Blanca from their Yorkshire mining village Don has left behind his incessant self education and Suzie has turned the corner of her illness Their new life is parked on the La Manca campsite from where they pursue their ambition of eternal holiday To record the precious experience and make its potential paradise available to all they blog But they can never escape their Yorkshire origins Episodes from the past reappear Meanwhile Don s environmental campaigning and Suzie s quest for business success fill their time However they discover that friends are transacting the businesses of their own lives There is money in vice more in property even more in trading people In a world where competition is the norm where a dog s

only possible diet is another dog Don and Suzie are determined to do good works be honest and loyal to all to support what is right But then in the final analysis when the jigsaw of lives is broken apart it appears that perhaps the pieces never did fit So finally still trying to do good Donkey Cottee and Poncho Suzie leave us with an enigma Or is it a riddle *Travelers in Time: A Search for the Missing* Louise Hathaway ,2020-11-24 Two sisters go back to the 1860s to search for their missing parents who did not return from their time travel adventure The sisters navigate the building of the transcontinental railroad and experience the world of post Civil War America Voyage in Search of La Pérouse Jacques-Julien Houtou de La Billardière,1800 Appendix Vocabulary of the language of the Malays has a separate register and separate pagination v 2 not held English translation of Relation du voyage a la recherche de La Perouse Advertisements p 1 6 at end of v 2 *In Search of the Silk King* Maya Herman,2005-08-24 Maya Herman In Search of The Silk King A Novel Among many stories I heard in Southeast Asia the most fascinating is the story of the legendary American silk king of Thailand Jim Thompson It is as mysterious as Asia itself The name Jim Thompson seemed to follow me from the first moment I arrived in Bangkok The more stories and rumors I heard the more I became fascinated by them They had all the ingredients of a good novel or a major movie romance mystery glamour exotic locations and more The legend of the silk king and his disappearance remains as mysterious today as it was in 1967 No clues were ever found Only unanswered questions remained Using poetic license I decided to write a novel that might answer some of them As such the novel is very loosely and only in part based on the real life of Jim Thompson as I learned of it primarily through living in Bangkok traveling extensively throughout Southeast Asia and writing about it in my book of travel essays *The Jade Window Bangkok* 1998 It is also in part based on the information I gathered in my research from the newspaper articles on Thompson William Warren s indispensable biography of him on the interviews with Warren and Henry Thompson through Alexander Macdonald s notes and OSS archives for all of which I am immensely grateful Still my Jim Thompson is not a historic but a fictional character In Search of The Silk King is a work of fiction written in many voices that are tempered with the measure of truth Any errors biographical historical intended or otherwise are solely mine This is the story of an adventure told in hero s voice and in various voices of the people who knew him It is also the story of his life that had the sweep of a historical romance and the power of a heroic quest As Jim Thompson s absorbing tale unfolds the reader discovers what happened after his disappearance how he succeeded and suffered and eventually found the truth It is a novel of suspense of fate and love lost and found The Jim Thompson of my novel thinks of himself as an ordinary man in extraordinary circumstances There are on the tapes he sent from his after life in exile to a journalist friend his memories of the past his childhood desire to travel to exotic places of his first and greatest love of his marriage As a young man Jim went to New York and worked as an architect He met Vera a Russian ballerina and fell in love with her He gave her a brooch designed as a pair of ballet slippers made of emeralds and diamonds as a token of his great love When Vera decided to go back to her old lover she returned one of the two slippers Jim kept the slipper as the memento

of his love that would prove to be fatal After the breakup Jim tried to find a new direction in life He married a woman he barely knew and enlisted in the Army This was his way of escaping the loss of his first great love that would mark his whole emotional life He went to Africa where he worked for the OSS with Maurice a half French half Laotian mystery man Not eager to return home Jim volunteered to go to Southeast Asia This was the real beginning of his journey He fell in love with Bangkok and wanted to stay there even after the war was over His wife Pat did not share his enthusiasm and agreed to a divorce Jim returned to Bangkok with a plan to renovate the Oriental hotel He did not succeed in that but found his true vocation in a forgotten art of silk making Jim almost single handedly revived the Thai silk industry and became the most successful American businessman in Thailand There is a story about silk Jim s life seemed full He built a beautiful house and opened a new store He seemed to have finally found his fulfillment He had a beautiful young mistress Nicole and seemed
