walk down to the beach She would go on her daily search for seashells with a box that she had made herself She saw these fragile gems as more than just seashells she knew they had stories for her to find Barbie was amazed by the shells complicated patterns and wide range of colors Each one told a story of a faraway trip Barbie s trips to the beach didn t end with gathering shells She was also very good at building dreams and she used golden sand grains as building blocks She painted on the sand and made amazing castles with towers that looked like they reached the sky with each stroke of her brush As Barbie worked on her masterpieces she could feel the beauty of the water in every grain of sand This showed how creative she was The people of Seashell Cove were amazed by Barbie s artistic skills but it was also her unshakable love of the sea Barbie would spend her afternoons sitting on a worn out piece of driftwood and looking out at the waves that were moving in the sun She watched as their foamy fingers touched the shore making it swell and break Barbie saw more than just beauty in the waves She thought they showed how life goes up and down She thought of them as a sign that things are always changing and that even when things are bad there is beauty The sound of the waves hitting the shore was like a natural symphony It was a sea music that spoke to her deeply As the days turned into weeks and weeks into months Barbie s love for the ocean grew She learned how to read the waves and guess how the sea would feel She found secret coves and pools full of colorful fish darting in and out of coral gardens and seahorses dancing under seaweed that was waving She went underwater to hide There she could swim with her friends and enjoy the beautiful colors and beauty of the ocean But even with all of these wonderful things Barbie still had one wish that she couldn t grant The older people in Seashell Cove had taught her in whispers about the magical beings that lived in the ocean s deepest parts What they said was that they had seen mermaids with beautiful tails that sparkled like moonlight on water Barbie had always wished she could meet a real mermaid but she never quite got the chance She had no idea that her life was about to take a crazy turn and that she would meet a mermaid which was her dream In Seashell Cove where the green waters meet the rough rocks Barbie was about to have a miracle that would change her life
