
THE SEASIDE READER

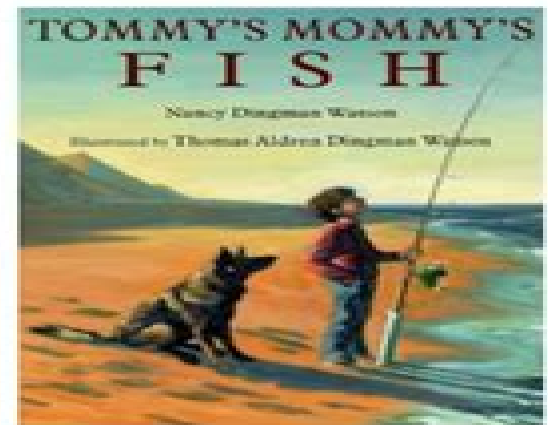

One Morning in Maine, by Robert McCloskey

When young Sal wakes up and discovers that she has a wiggly tooth, questions arise. Will Sal still be able to go to Buck's Harbor with her father, as planned? What will she wish for when her tooth falls out? Will she be able to keep her wish a secret? A loon, a seal and other wildlife are invited to weigh in on her news, and the reader to take part in Sal's sense of anticipation and wonder, as she wanders down the shore to join her father at clam-digging. The beauty of the Maine coast together with the intimacy of its domestic interiors are conveyed through McCloskey's signature pen-and-ink drawings, which excel at portraiture--the personalities of Sal, her family members and the village characters clear-cut on every page. This Caldecott Honor Book, first published in 1952, is by the celebrated author of "Make Way for Ducklings" and "Blueberries for Sal."

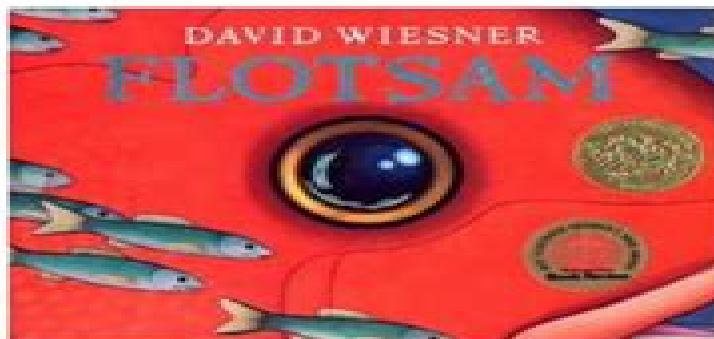

Tommy's Mommy's Fish by Nancy Dingman Watson

Set on the wind-swept bluffs and sandy slopes of an ocean beach in Truro, Nancy Dingman Watson's story follows Tommy on his hunt for a birthday gift for his mother. Bayberries to make a candle with? Beach plums for jelly? A stack of fresh-cut logs for the fireplace? His siblings offer to split their own gifts with Tommy, but he wants to come up with something special all by himself. So begins a surfcasting adventure that lasts through sunset and into the full-moon-lit night, until a "rackety-splashety way out in the water" signals that Tommy's birthday mission is almost complete. Oil paintings by Watson's son, the Truro artist Thomas A.D. Watson, capture the rich light and hues of Cape Cod in early autumn, and the story itself is a lesson in the rewards of simplicity, persistence, and humility before nature, with some insight into the Cape's back shore traditions thrown in.

Flotsam, by David Wiesner

A curious boy's exploration of the seaside takes a magical turn when a mysterious object washes up at his feet. Closer inspection reveals it to be an underwater camera, brand name "Melville," and when the boy runs into town to develop the film, he comes away with a stack of photographs of scenes from the secret lives of the creatures that live in the ocean. Wiesner's wordless picture book unfolds through a sequence of paintings which become increasingly lush and fantastical in their portrayal of the hidden underwater world, and the last snapshot the boy pulls from the envelope contains one of the biggest surprises of all.

Seaside Reader

Louisiana. Department of Education

Seaside Reader:

The Seaside Reader Dery W. Bennett, 2003 Here is an anthology featuring writers as diverse as Jacques Cousteau and Norman Mailer with selections on the places people and creatures that make up the lure of the seacoast *The London readers.
