## Sam The Night Person:

**Sam the Night Person** Lisa Rusczyk,2012-09-25 What is a night person They thrive by moonlight spreading lightening bolts and freezing the earth They hide their powers from society Sam stays up all night drinks coffee without pause chain smokes cigarettes and secretly talks to the moon Azzy knows it but doesn't know why or how Azzy has been having a series of obsessive daydreams about a young man named Sam He seems to be a magician of sorts All she knows is that she can't eat sleep drive or work All she can do is think of Sam She is in love and she must find him She follows a daydream to a Colorado lodge where she has seen Sam in her mind To her astonishment he appears there the very next day He doesn't believe her but who would Is she crazy Sam and Azzy have a connection Where did it come from And who is behind it all Of course there's always a reason for everything Azzy's daydreams were no accident Will they be able to withstand the man behind the torment After years being apart they find themselves facing the most destructive man of water magic they have ever known He threatens their love Together in heart and apart by necessity they must find a way to stop him *Sam the Night Person*
