## **People Yes:**

**The People, Yes** Carl Sandburg, 2015-02-04 The acclaimed epic prose poem from one of America's greatest poets and the three-time winner of the Pulitzer Prize. A long poem that makes brilliant use of the legends and myths, the tall tales and sayings of America. As Irish poet Padraic Colum said, "The fine thing about *The People, Yes* is that it is indubitable speech. Here is a man speaking a man who knows all sorts and conditions of men who can be wise and witty, stirring and nonsensical with them all." Carl Sandburg is a master of his own medium; he can deliver himself with the extraordinary clarity of the comic strip caption, with the punch of the tip-top editorial, with the jingle of the American ballad. If America has a folksinger today, he is Carl Sandburg, a singer who comes out of the prairie soil, who has the prairie inheritance, who can hand back to the people a creation that has scraps of their own insight, humor, and imagination. A singer, it should be added, who both says and sings. He has a passion that gives dignity to all he says. It is a passion for humanity, not merely for the man with depths of personality in him, but for the ordinary man and woman. *The People, Yes* is his most appealing volume. Praise for Carl Sandburg: A poetic genius whose creative power has in no way lessened with the passing years. Chicago Tribune. Carl Sandburg was more than the voice of America; more than the poet of its strength and genius. He was America. President Lyndon B. Johnson.

Using numerous real-life examples from all over the world, this text explores how each is used in practice and provides discussion of the main problems with each model, answering the question: Why are there so many different forms of democratic practice?
