

An aerial photograph of a beach at sunset or sunrise. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm, golden-brown color. The sky is not visible, but the lighting suggests a low sun. The overall mood is serene and nostalgic.

The only possible paradises
are those we have lost.

Marcel Proust

Possible Paradises

José Manuel Azcona Pastor

Possible Paradises:

Possible Paradises José Manuel Azcona Pastor, 2004 From Columbus's first voyage to the Indies in 1492 Basques have participated in Spain's American enterprise Supported by centuries of experience as mariners shipbuilders traders miners and ironworkers encouraged toward emigration by restrictive inheritance laws and a land poor territory and conditioned by a culture that prized hard work and social solidarity the Basques were poised to play a significant role in the exploration and development of the New World The first Basques arrived with Columbus and well into the 20th century they continued to arrive seeking livelihood and refuge Possible Paradises Jose Manuel Azcona Pastor's study of Basque emigration to the Americas is a work considered to be of monumental importance Covering more than five centuries of history Azcona examines the roles and fates of the Basques who came to the New World He also studies the impact of the New World on the Basque Country He considers the role of Basques in the Spanish imperial expeditions of exploration and conquest and their participation in transatlantic commerce and communication The Basque diaspora although worldwide in dimension has had its greatest presence and importance in the Americas Enhanced by numerous tables and graphs maps name lists and photographs Azcona's pioneering study views the Basque presence in the New World through the broadest possible lens linking Basque communities and activities from Argentina to the North American West Bakers and Basques Robert Weis, 2012-09-15 Mexico City's colorful panaderías bakeries have long been vital neighborhood institutions They were also crucial sites where labor subsistence and politics collided From the 1880s well into the twentieth century Basque immigrants dominated the bread trade to the detriment of small Mexican bakers By taking us inside the panadería into the heart of bread strikes and through government halls Robert Weis reveals why authorities and organized workers supported the so-called Spanish monopoly in ways that countered the promises of law and ideology He tells the gritty story of how class struggle and the politics of food shaped the state and the market More than a book about bread Bakers and Basques places food and labor at the center of the upheavals in Mexican history from independence to the aftermath of the Mexican Revolution **The Poetical Works of John Milton: Paradise regained. Samson Agonistes. Minor poems** John Milton, 1874 *The White Garden* Stephanie Barron, 2009-09-29 In March 1941 Virginia Woolf filled her pockets with stones and drowned herself in England's River Ouse Her body was found three weeks later What seemed like a tragic ending at the time was in fact just the beginning of a mystery Six decades after Virginia Woolf's death landscape designer Jo Bellamy has come to Sissinghurst Castle for two reasons to study the celebrated White Garden created by Woolf's lover Vita Sackville West and to recover from the terrible wound of her grandfather's unexplained suicide In the shadow of one of England's most famous castles Jo makes a shocking find Woolf's last diary its first entry dated the day after she allegedly killed herself If authenticated Jo's discovery could shatter everything historians believe about Woolf's final hours But when the Woolf diary is suddenly stolen Jo's quest to uncover the truth will lead her on a perilous journey into the tumultuous inner life of a literary

icon whose connection to the White Garden ultimately proved devastating Rich with historical detail The White Garden is an enthralling novel of literary suspense that explores the many ways the past haunts the present and the dark secrets that lurk beneath the surface of the most carefully tended garden

A Rabbi Looks at the Afterlife Jonathan Bernis, 2014-11-18 Is there a heaven Is hell real Is there life after death Discover the answers that will change your life forever People genuinely want to know if there is life after death However there are many different ideas about the afterlife Some believe that once you are dead that s it Nothingness Others sincerely hope that there is something beyond this life but are not sure Uncertainty Is it possible to know that there is life beyond the grave If so how does this change your life today In A Rabbi Looks at the Afterlife Jonathan Bernis takes you on an unforgettable journey of faith exploring Scripture history and first hand accounts of those who have experienced the afterlife Get ready to Re Imagine heaven and get a clearer vision of the glorious eternity that awaits all believers Live with a greater sense of purpose and urgency motivated by the realities of heaven and hell Be inspired by four unforgettable true stories of individuals who had near death experiences When the afterlife becomes more real you will live every moment in light of forever and recognize the eternal significance that your life plays in God s unfolding plan

Indian Alliances and the Spanish in the Southwest, 750-1750 William B. Carter, 2012-12-04 When considering the history of the Southwest scholars have typically viewed Apaches Navajos and other Athabaskans as marauders who preyed on Pueblo towns and Spanish settlements William B Carter now offers a multilayered reassessment of historical events and environmental and social change to show how mutually supportive networks among Native peoples created alliances in the centuries before and after Spanish settlement Combining recent scholarship on southwestern prehistory and the history of northern New Spain Carter describes how environmental changes shaped American Indian settlement in the Southwest and how Athapaskan and Puebloan peoples formed alliances that endured until the Pueblo Revolt of 1680 and even afterward Established initially for trade Pueblo Athapaskan ties deepened with intermarriage and developments in the political realities of the region Carter also shows how Athapaskans influenced Pueblo economies far more than previously supposed and helped to erode Spanish influence In clearly explaining Native prehistory Carter integrates clan origins with archeological data and historical accounts He then shows how the Spanish conquest of New Mexico affected Native populations and the relations between them His analysis of the Pueblo Revolt reveals that Athapaskan and Puebloan peoples were in close contact underscoring the instrumental role that Athapaskan allies played in Native anticolonial resistance in New Mexico throughout the seventeenth century Written to appeal to both students and general readers this fresh interpretation of borderlands ethnohistory provides a broad view as well as important insights for assessing subsequent social change in the region
