## **Postcard To Heaven:**

*Postcards from Heaven* Dan Gordon, 2008-11-11 Nearly all of us either have had or have heard of an experience in which a soul already departed reaches back to us who have been left behind Sometimes it's no more than a whisper a familiar smell in the air or just the feeling of presence as vivid as when the loved one was still alive These moments are just that moments a glimpse behind the veil not a letter from heaven but a postcard Dan Gordon *Postcards from Heaven* A postcard from heaven is not a revelation from on high rather it's a whisper a familiar smell in the air or just the feeling of presence of someone who's passed away It is just enough of a message to imply that what we call life is not ended by what we call death Dan Gordon has been receiving these postcards all his life from his father his older brother and his son Zaki who was killed in a car accident when he was only twenty two *Postcards from Heaven* is the beautiful inspirational memoir of four generations of a remarkable family and how they remain interconnected a part of one another's stories even after passing to the other side Here is the span of his father's long life moving and funny from the Russian Revolution to his improbable Depression era courtship of a woman named Goddess Gordon's mother to his spiritual later years in Israel his incorrigible older brother's mischievous magic able to find humor even in cancer treatment and his brilliant son a natural storyteller who looked destined to follow his father into the movie business These are the stories of their lives on earth as well as after death Full of humor compassion and love *Postcards from Heaven* comforts and assures us that those we loved can reach back to those of us still on earth and if only we are attentive enough to listen we can hear them say Got here safe It's really beautiful Much love till we meet again
