A Memoir of Maria Edgeworth Frances Anne Beaufort Edgeworth, 1867 **The Life and Letters of Maria Edgeworth** Maria Edgeworth, 1894 [The Life and Letters of Maria Edgeworth Volume 1](#) Maria Edgeworth, 2022-04-04

Excerpt In her later years Miss Edgeworth was often asked to write a biographical preface to her novels She refused As a woman she said my life wholly domestic can offer nothing of interest to the public Incidents indeed in that quiet happy home existence there were none to narrate nothing but the ordinary joys and sorrows which attend every human life Yet the letters of one so clear sighted and sagacious one whom Macaulay considered to be the second woman of her age are valuable not only as a record of her times and of many who were prominent figures in them but from the picture they naturally give of a simple honest generous high minded character filled from youth to age with love and goodwill to her fellow creatures and a desire for their highest good An admirable collection of Miss Edgeworth's letters was printed after her death by her stepmother and lifelong friend but only for private circulation As all her generation has long since passed away Mr Edgeworth of Edgeworthstown now permits that these letters should be read beyond the limits of the family circle An editor has had little more to do than to make a selection and to write such a thread of biography as might unite the links of the chain
