Lent,2006-04-30 This penultimate work in John Lent's series of bibliographies on comic art gathers together an astounding
array of citations on American cartoonists and their work Author John Lent has used all manner of methods to gather the
citations searching library and online databases contacting scholars and other professionals attending conferences and
festivals and scanning hundreds of periodicals He has gone to great length to categorize the citations in an easy to use
scholarly fashion and in the process has helped to establish the field of comic art as an important part of social science and
humanities research The ten volumes in this series covering all regions of the world constitute the largest printed
bibliography of comic art in the world and serve as the beacon guiding the burgeoning fields of animation comics and
cartooning They are the definitive works on comic art research and are exhaustive in their inclusiveness covering all types of
publications academic trade popular fan etc from all over the world Also included in these books are citations to
systematically researched academic exercises as well as more ephemeral sources such as fanzines press articles and fugitive
materials conference papers unpublished documents etc attesting to Lent's belief that all pieces of information are vital in a
new field of study such as comic art **Encyclopedia of Contemporary Christian Music** Don Cusic,2009-11-12 The first
comprehensive overview of contemporary inspirational music covering its historical roots and dramatic growth into one of
America's most vital music genres The Encyclopedia of Contemporary Christian Music Pop Rock and Worship is the first
comprehensive reference work on a form of American music that is far more popular than nonfans may realize It fills a major
gap in the literature on American music and Christian culture looking at this increasingly popular genre in the context of the
overall history of religious music in the United States With over 200 entries The Encyclopedia of Contemporary Christian
Music covers important performers and industry figures songs and albums concerts and festivals the rise of Christian radio
and television and other issues related to the growth of inspirational music Scholars and fans alike will find a wealth of
revealing information and insightful coverage illustrating the influence of gospel on modern American music with musicians
such as Elvis Sam Cooke Johnny Cash Bob Dylan and U2 The work also examines the use of fundamental rock pop and rap
music templates in the service of songs of faith *Mark Schultz* Mark Schultz,2006-07 In this second volume of the ongoing
