Mark Paul J. Achtemeier, 2004-07-08 Here is the revised and expanded second edition of what has become a standard introductory work on Mark and the Synoptic Problem The revisions and expansions in this book have been necessary due to the vitality of Markan scholarship the author's continuing reflection on the meaning of Mark and the depth of insights in Mark's Gospel Achtemeier has fully rewritten his chapter on The Christology of Mark and has added an entirely new chapter on Mark as Literature An annotated bibliography and index of biblical passages make this a key introduction to Mark

Proclamation Commentaries: Luke, 1975 Faith as a Theme in Mark's Narrative Christopher D.

Marshall, 1994-12-08 Mark's gospel has attracted an enormous amount of scholarly attention over recent decades The major themes of the gospel have been studied exhaustively and from a variety of critical perspectives But at least one important theme in Mark has been comparatively neglected in recent study the theme of faith This critically acclaimed book redresses such neglect through a thorough exegetical and literary study of all the references to faith in Mark's composition **The**

Deppe, 2015-10-22 What sets The Theological Intentions of Mark's Literary Devices apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day **Lectionary Preaching Workbook** John R. Mark's Gospel John Painter,2005-06-20 Mark s biography of Jesus is the earliest of the four gospels and influenced them all The distinctive feature of this biography is the quality of good news which presupposes a world dominated by the forces of evil John Painter shows how the rhetorical and dramatic shaping of the book emphasises the conflict of good and evil at many levels between Jesus and the Jewish authorities Jesus and the Roman authorities and the conflict of values within the disciples themselves These matters of content are integral to this original approach to Mark s theodicy while the stylistic issue raises the question of Mark s intended readership John Painter s succinct yet thorough treatment of Mark s gospel opens up not only these rhetorical issues but the social context of the gospel which Painter argues to be that of the Pauline mission to the nations

Biblical Theology of the Old and New Testaments Brevard S. Childs,1993-04 This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Child s lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament s interest in the Old Rather Childs maps out an approach that reflects on the whole Christian Bible with its two very different voices each of which retains continuing integrity and is heard on its own terms
