Jerome McCarthy,2013-04-16 Built on a strong foundation Basic Marketing 18e with ConnectPlus and LearnSmart provides an integrated teaching and learning solution for presenting the four Ps framework and managerial orientation with a strategy planning focus The Perreault franchise was the pioneer of the four Ps in the introductory marketing course The unifying focus of Basic Marketing has always been on how to make marketing decisions in deciding what customers to focus on and how best to meet their needs Consistent with our belief in continuous quality improvement this edition has been critically revised updated and rewritten to reflect new concepts new examples recent best practices and to tightly integrate the best digital tools in the industry for ensuring that students are prepared to engage in classroom lectures and pursue future business and marketing careers Management of Marketing Paul Reynolds,Geoff Lancaster,2005-06-02 The text provides information on the core elements of the subject of marketing without the depth that often surrounds these to ensure that the basic concepts are easily identifiable and accessible Students on MBA courses often do not have time to read a long text as they are studying many subjects therefore they require a good

basic guide pitched at the appropriate level to be able to be absorbed quickly but still provide enough of a strategic element to stretch them

Written by a successful author team Management of Marketing covers the key topics of the marketing component of an MBA course and provides a good balance of theory and application to ensure both aspects of the core concepts are covered

**Building a Marketing Plan** Ho Yin Wong, 2011-07-15 The book aims to provide a comprehensive holistic and practical framework for readers who are interested or involved in developing a marketing plan so that they can appreciate various marketing concepts and put them together in an easy to read guide

Demanding and savvy customers along with a turbulent marketing environment require marketers to be highly sensitive to the environmental monitoring systems capable of identifying the latest marketing trends and opportunities and threats at an early stage

In response to these issues the proposed manuscript covers the themes of planning implementing and controlling marketing activities which will provide guidance to marketers and non marketer alike in undertaking a marketing plan

The latest research findings in the marketing area are included This book is written for marketing students and it is the intention of the authors to make this manuscript as basic straightforward and to the point as possible

Business practitioners will also find this book useful
