Beilin, 2017-05-15 This volume includes leading scholarship on five writers active in the first half of the sixteenth century Margaret More Roper Katherine Parr Anne Askew Mildred Cooke Cecil and Anne Cooke Bacon The essays represent a range of theoretical approaches and provide valuable insights into the religious social economic and political contexts essential for understanding these writers' texts Scholars examine the significance of Margaret More Roper's translations and letters in the contexts of humanism family relationships and changing cultural forces the contributions of Katherine Parr and Anne Askew to Reformation discourses and debates and the material presence of Mildred Cooke Cecil and Anne Cooke Bacon in the intellectual religious and political life of their time The introduction surveys the development of the field as an interdisciplinary project involving literature history classics religion and cultural studies *Opening the Borders* James V. Mirollo, Peter C. Herman, 1999 Early modern studies is increasingly devoted to opening the borders between supposedly discrete areas of study including supposedly antithetical theoretical approaches **BOOK JACKET Women Writers of the Renaissance and Reformation** Katharina M. Wilson, 1987 The dawn of humanism in the Renaissance presented privileged women with great opportunities for personal and intellectual growth Sexual and social roles still determined the extent to which a woman could pursue education and intellectual accomplishment but it was possible through the composition of poetry or prose to temporarily offset hierarchies of gender to become equal to men in the act of creation Edited by Katharina M. Wilson this anthology introduces the works of twenty-five women writers of the Renaissance and Reformation among them Marie Denton a Swiss evangelical reformer whose writings were so successful they were banned during her lifetime Gaspara Stampa a cultivated courtesan of Venetian aristocratic circles who wrote lyric poetry that has earned her comparisons to Michelangelo and Tasso H. Lisienne de Crenne a French aristocrat who embodied the true spirit of the Renaissance feminist writing both as novelist and as champion of her sex Helene Kottanner Austrian chambermaid to Queen Elizabeth of Hungary whose memoirs recall her daring theft of the Holy Crown of Saint Stephen for her esteemed mistress and Lady Mary Sidney Wroth the first Englishwoman known to write a full-length work of fiction and compose a significant

body of secular poetry Offering a seldom seen counterpoint to literature written by men Women Writers of the Renaissance and Reformation presents prose and poetry that have never before appeared in English as well as writings that have rarely been available to the nonspecialist The women whose writings are included here are united by a keen awareness of the social limitations placed upon their creative potential of the strained relationship between their gender and their work This concern invests their writings with a distinctive voice one that carries the echoes of a male aesthetic while boldly declaring battle against it

Saint Thomas More Thomas More, 2003-04-08 Drawing on a variety of More's late writings this collection provides even readers lacking a background in Renaissance humanism or history with a rich introduction to a startlingly modern man of spiritual principle Thomas More is perhaps most familiar to us from his courageous struggle with Henry VIII unforgettably portrayed in Robert Bolt's classic *A Man for All Seasons* But that final struggle which ended in his execution for treason was only the crowning act in a life that he had devoted to God long before In the first selection in decades made for the general reader from his collected works this volume traces More's journey of moral conviction in his own words and writings Also included is the famous *Life of Sir Thomas More* written by his son in law William Roper In the annals of spirituality certain books stand out both for their historical importance and for their continued relevance The Vintage Spiritual Classics series offers the greatest of these works in authoritative new editions with specially commissioned essays by noted contemporary commentators Filled with eloquence and fresh insight encouragement and solace Vintage Spiritual Classics are incomparable resources for all readers who seek a more substantive understanding of mankind's relation to the divine
