Margo After Midnight:

Remembering Margo Donzella Michele Malone, 2006 A uniquely moving true story about the life and tragic death of Margo Prade a physician mother daughter sister and wife Dr Prade was a well respected member of her community who lost her life one fateful day at the hands of her husband Ms Malone believes this compelling and heart wrenching story she never be forgotten Paul Whiteman: Pioneer in American Music, 1930-1967 Don Rayno, 2012-12-19 In a career that spanned 60 years Paul Whiteman changed the landscape of American music beginning with his million selling recordings in the early 1920s of Whispering Japanese Sandman and Three O Clock in the Morning Whiteman would then introduce symphonic jazz a powerful blend of the classical and jazz idioms that represented a whole new approach to modern American music influencing generations of bandleaders and composers While some hold that at the close of the Roaring Twenties Whiteman s musical hegemony quickly waned Don Rayno illustrates in this second volume of Paul Whiteman Pioneer in American Music how much of a dominant figure Whiteman remained A major figure on the American music scene for decades to come he would continue to lead critically acclaimed orchestras filling theaters and concert halls alike and diligently seeking out and nurturing musical talent on the largest scale of any orchestra leader in the 20th century In this second volume of Rayno s magisterial treatment of the life and music of this remarkable maestro Whiteman s career during the second half of his life is explored in the fullest detail as Whiteman conquers the worlds of theater and vaudeville the concert hall radio motion pictures and television winning accolades in all of them Through hundreds of interviews extensive documentation and exhaustive research of over nearly three decades a portrait emerges of one of American music s most important musical figures during the last century Rayno paints a stunning portrait of Whiteman s considerable accomplishments and far reaching influence The Nightmare Michael Hailparn, 2015-03-27 A brutal murderer commits his crime and then seemingly disappears from the scene leaving no evidence The first victim is found with an arm ripped off and skull crushed Then a second murder with the same M O and this second victim prompts the police Commissioner to put together an elite team to hunt what appears to be a serial killer Detectives Peter Legler and Margo Freed are put on the case due to their psychological profiles The Commissioner feels they will stop at nothing to catch the killer and hes right A third victim puts the media in a stir and earns the killer the nickname Bigfoot In fact according to the coroner their guy is at least eight feet tall with enormous strength Legler and Freed find a likely suspect in Morbius an average sized man who hated all the victims but who has an airtight alibi At the time of all three attacks he was asleep having nightmares Freed develops an odd theory what if Morbius is like a modern day Jekyll and Hyde When he sleeps Bigfoot wakes Of course her colleagues dont believe her but Legler worries as an invisible killer creeps closer seeking his next victim *Margo Mysteries* Jerry B.
