**The Mirror of Simple Souls** Marguerite Porete, 1993 We know very little about Marguerite Porete only that she was a beguine from Hainaut who was burned at the stake as a relapsed heretic in 1310 She might have been a solitary itinerant beguine who expounded her teachings to interested listeners

[A Companion to Marguerite Porete and The Mirror of Simple Souls](#) Robert Stauffer, Wendy R. Terry, 2017-04-11 Even with growing popularity in the United States there existed no English language scholarly introduction to Marguerite Porete or her sole surviving work *Mirror of Simple Souls* until now The study of Marguerite and her work touches on so many disciplines from religious and secular histories to theological and literary readings of her book that the scholarship had often been lost in the divides between the disciplines Our contributors are chosen from both sides of the Atlantic and from an array of disciplines in order to bridge this geographical and linguistic divide The interdisciplinary nature of the interest in Marguerite and the *Mirror* and the implications her book has on medieval scholarship make a collection such as this companion ideal Contributors are Marleen Cr Imke De Gier D vid Falvay Sean Field Genevi ve Hasenohr with Zan Kocher Jonathan Juilfs Zan Kocher Joanne Robinson Elizabeth Scarborough Robert Stauffer Wendy R Terry and Justine Trombley

**The Mirror of Simple Souls** Margaret Porette, 1999-05-15 When Dr Romana Guarnieri in a letter to *Osservatore Romano* 16 June 1946 announced her discovery that Margaret Porette d 1 June 1310 was the author of *The Mirror of Simple Souls* certainly a major French document of pre Reformation spirituality a sensation was created in the academic world Although *The Mirror* is one of the few heretical documents to have survived the Middle Ages in its entirety both its title and its authorship were among the most persistent and troublesome problems of scholarly research in the field of medieval vernacular languages *The Mirror* in its original French survives only in the fifteenth century manuscript which the great Cond Louis II de Bourbon had acquired for his palace at Chantilly And so far as can be known all that remains with which to compare the readings of this manuscript text are those translations of *The Mirror* which also in manuscript are to be found in Latin Italian and Middle English This edition of *The Mirror of Simple Souls* is a translation from the French original with interpretive essays by Edmund Colledge O S A Judith Grant and J C Marler and a foreword by Kent Emery Jr The translators of this Modern English version rely primarily on the French yet take other medieval translations into account As a result this edition offers a reading of *The Mirror* which solves a number of difficulties found in the French and the introductions contributed by the translators narrate the archival history of the book for which Margaret Porette was burned alive in Paris in 1310

*Female Stereotypes in Religious Traditions* Ria Kloppenborg, Wouter J. Hanegraaff, 1995 This volume contains a collection of studies describing and analyzing stereotypes of women in the religions of Ancient Israel

and Mesopotamia and in Zoroastrianism Judaism Medieval Christianity Islam Indian Sufism Hinduism Buddhism Tibetan religions and modern Neopaganism In all these traditions the stereotypes are based on generalizations which are socially culturally or religiously legitimized and which seem to have a lasting influence on society's conceptions of women They represent oversimplified opinions which are however regularly challenged by the women who are affected by them In all traditions the stereotypes are ambiguous either because women have challenged their validity or because historical developments in society have reshaped them They influence public opinion by emphasizing dominant views as a strategy to restrain women and to keep them controlled by the rules and morals of male dominated society

*A Diabolical Voice* Justine L. Trombley, 2023-05-15 In *A Diabolical Voice* Justine L. Trombley traces the afterlife of the *Mirror of Simple Souls* which circulated anonymously for two centuries in four languages though not without controversy or condemnation Widely recognized as one of the most unusual and important mystical treatises of the late Middle Ages the *Mirror* was condemned in Paris in 1310 as a heretical work and its author Marguerite Porete was burned at the stake Trombley identifies alongside the work's increasing positive reception a parallel trend of opposition and condemnation centered specifically around its Latin translation She's discovered fourteenth and fifteenth century theologians canon lawyers inquisitors and other churchmen who were entirely ignorant of the *Mirror*'s author and its condemnation and saw in the work dangerous heresies that demanded refutation and condemnation of their own Using new evidence from the *Mirror*'s largely overlooked Latin manuscript tradition *A Diabolical Voice* charts the range of negative reactions to the *Mirror* from confiscations and physical destruction to academic refutations and vicious denunciations of its supposedly fiendish doctrines This parallel story of opposition shows how heresy remained an integral part of the *Mirror*'s history well beyond the events of 1310 revealing how seriously churchmen took Marguerite Porete's ideas on their own terms in contexts entirely removed from Marguerite's identity and her fate Emphasizing the complexity of the *Mirror of Simple Souls* and its reception Trombley makes clear that this influential book continues to yield new perspectives and understandings

**The Secret Within** Wolfgang Riehle, 2014-02-25 Spiritual seekers throughout history have sought illumination through solitary contemplation In the Christian tradition medieval England stands out for its remarkable array of hermits recluses and spiritual outsiders from Cuthbert Godric of Finchale and Christina of Markyate to Richard Rolle Julian of Norwich and Margery Kempe In *The Secret Within* Wolfgang Riehle offers the first comprehensive history of English medieval mysticism in decades one that will appeal to anyone fascinated by mysticism as a phenomenon of religious life In considering the origins and evolution of the English mystical tradition Riehle begins in the twelfth century with the revival of eremitical mysticism and the early growth of the Cistercian Order in the British Isles He then focuses in depth on the great mystics of the fourteenth and fifteenth centuries Richard Rolle the first great English mystic the anonymous author of *The Cloud of Unknowing* Walter Hilton Margery Kempe and Julian of Norwich Riehle carefully grounds his narrative in the broader spiritual landscape of the Middle Ages pointing

out both prior influences dating back to Late Antiquity and corresponding developments in mysticism and theology on the Continent He discusses the problem of possible differences between male and female spirituality and the movement of popularizing mysticism in the late Middle Ages Filled with fresh insights The Secret Within will be welcomed especially by teachers and students of medieval literature as well as by those engaged in historical theological philosophical cultural even anthropological and comparative studies of mysticism

The Mirror of Simple Souls Marguerite Porete, 2026-01-27 The Forbidden Manuscript That Cost Its Author Her Life On June 1 1310 Marguerite Porete was burned at the stake in Paris Her crime was not a deed but a book The Mirror of Simple Souls was so radical so dangerously free that Church authorities attempted to erase it from history Yet the text survived copied in secret translated anonymously passed hand to hand by those who recognized its truth This book is not theology It is not doctrine It is a map of inner freedom Written for seekers who sense that surrender not effort is the final path The Mirror of Simple Souls describes the soul's return to its source beyond virtue beyond striving beyond fear What happens to the river when it meets the sea It does not disappear It loses its narrow banks and becomes the Ocean This is the journey to that Sea of Peace A Voice That Refused to Submit Marguerite Porete was a Beguine a woman of deep contemplation who lived outside the Church's formal vows When charged with heresy she maintained an eighteen month sovereign silence refusing to defend herself before inquisitors Why Because as her book makes clear those governed by Reason cannot judge a soul governed by Love Her writing unfolds as a sharp and luminous dialogue between Lady Love Lady Reason and the Soul itself revealing a spirituality that bypasses obedience effort and self improvement and moves instead toward radical inner emptiness For over five hundred years this work survived only in fragments and hidden translations Until now The 2026 Modernized Restoration This edition is a carefully modernized restoration of the landmark 1927 English translation by Clare Kirchberger It preserves 100% of the original content metaphors and theological logic while removing the barriers of archaic syntax and medieval phrasing Nothing has been added Nothing has been softened For the first time Marguerite Porete's voice emerges with clarity defiance and startling modern relevance Inside This Book You Will Discover The Seven States of Being A precise map of the soul's ascent from the Valley of Dread to the Summit of Glory The Trial of the Will The soul's consent to be undone discovering a union that persists even in suffering and death The M N Glosses Essential 15th century guardrail notes that illuminate the text's most radical and controversial passages Sovereign Dialogue The unforgettable exchanges between the Soul Lady Reason and Lady Love where spiritual authority is overturned This Book Is Not for Everyone Marguerite Porete warned that everything written about the Divine is only noise compared to the lived experience This book is not meant to be studied It is meant to work on you Read not with your intellect but with your heart If you are ready to release effort identity and control to take leave of Reason and enter the life of Freedom you are already closer than you think Join the lineage of the Simple Souls who passed beyond the point of the spear and found their home in the Far Night

**Medieval Crossover** Barbara Newman, 2013-05-15 The sacred and the secular in medieval literature have too often been perceived as opposites or else relegated to separate but unequal spheres In *Medieval Crossover Reading the Secular against the Sacred* Barbara Newman offers a new approach to the many ways that sacred and secular interact in medieval literature arguing that in contrast to our own cultural situation the sacred was the normative unmarked default category against which the secular always had to define itself and establish its niche Newman refers to this dialectical relationship as crossover which is not a genre in itself but a mode of interaction an openness to the meeting or even merger of sacred and secular in a wide variety of forms Newman sketches a few of the principles that shape their interaction the hermeneutics of both and the principle of double judgment the confluence of pagan material and Christian meaning in Arthurian romance the rule of convergent idealism in hagiographic romance and the double edged sword in parody *Medieval Crossover* explores a wealth of case studies in French English and Latin texts that concentrate on instances of paradox collision and convergence Newman convincingly and with great clarity demonstrates the widespread applicability of the crossover concept as an analytical tool examining some very disparate works These include French and English romances about Lancelot and the Grail the mystical writing of Marguerite Porete placed in the context of lay spirituality lyric traditions and the *Romance of the Rose* multiple examples of parody sexually obscene shockingly anti Semitic or cleverly litigious and *Ren of Anjou*'s two allegorical dream visions Some of these texts are scarcely known to medievalists others are rarely studied together Newman's originality in her choice of these primary works will inspire new questions and set in motion new fields of exploration for medievalists working in a large variety of disciplines including literature religious studies history and cultural studies

*The Beguine, the Angel, and the Inquisitor* Sean L. Field, 2012-04-15 On 31 May 1310 at the Place de Grève in Paris the Dominican inquisitor William of Paris read out a sentence that declared Marguerite called Porete a beguine from Hainault to be a relapsed heretic released her to secular authority for punishment and ordered that all copies of a book she had written be confiscated William next consigned Guiard of Cressonessart an apocalyptic activist in the tradition of Joachim of Fiore and a would be defender of Marguerite to perpetual imprisonment Over several months William of Paris conducted inquisitorial processes against them complete with multiple consultations of experts in theology and canon law Though Guiard recanted at the last moment and thus saved his life

Marguerite went to her execution the day after her sentencing. *The Beguine the Angel and the Inquisitor* is an analysis of the inquisitorial trials, their political as well as ecclesiastical context, and their historical significance. Marguerite Porete was the first female Christian mystic burned at the stake after authoring a book, and the survival of her work makes her case absolutely unique. *The Mirror of Simple Souls* rediscovered in the twentieth century and reconnected to Marguerite's name only a half century ago is now recognized as one of the most daring, vibrant, and original examples of the vernacular theology and beguine mysticism that emerged in late thirteenth century Christian Europe. Field provides a new and detailed reconstruction of hitherto neglected aspects of Marguerite's life, particularly of her trial, as well as the first extended consideration of her inquisitor's maneuvers and motivations. Additionally, he gives the first complete English translation of all of the trial documents and relevant contemporary chronicles, as well as the first English translation of Arnau of Vilanova's intriguing Letter to Those Wearing the Leather Belt, directed to Guiard's supporters and urging them to submit to ecclesiastical authority.

*Allegories of Love in Marguerite Porete's Mirror of Simple Souls* Suzanne Kocher, 2008  
*Medieval Women Texts Contexts Resistance and Transcendence* Lissi Brooke Danielson, 2008  
*Seeing Marguerite in the Mirror* Wendy Rachele Terry, 2011

Using Marguerite Porete's 1310 *Mirror of simple souls* as the case study, Terry outlines a new application of linguistic tools to the analysis of spiritual texts, showing how the tools can elucidate discourse, aim, self-presentation, and concepts of God. Terry's book explains the tools, outlines a four-step process for applying them, contextualizes Marguerite's *Mirror* in light of potential sources, Medieval images of women, and documentation concerning her trial, and then applies the tools to Marguerite's *Mirror*. The image of Marguerite that emerges is in sharp contrast to that preserved by her contemporaries, who used highly gendered labels. Marguerite's self-presentation is not highly gendered. Gendered elements in *Mirror* are explainable in light of Marguerite's potential theological and literary sources. Consequently, Terry determines that modern focus on gender images for Marguerite relies less on her own voice and more on historical labels given to her, missing the core of her self-understanding.

P 4 of cover **The Soul as Virgin Wife** Amy Hollywood, 2000-12-05

*The Soul as Virgin Wife* presents the first book-length study to give a detailed account of the theological and mystical teachings written by women themselves, especially by those known as beguines, which have been especially neglected. Hollywood explicates the difference between the erotic and imagistic mysticism, arguing that Mechthild Porete and Eckhart challenge the sexual ideologies prevalent in their culture and claim a union without distinction between the soul and the divine. The beguines' emphasis in the later Middle Ages on spiritual poverty has long been recognized as an important influence on subsequent German and Flemish mystical writers, in particular the great German Dominican preacher and apophatic theologian Meister Eckhart. In *The Soul as Virgin Wife*, Amy Hollywood presents the first book-length study to give a detailed textual account of these debts. Through an analysis of Magdeburg's *The Flowing Light of the Godhead*, Marguerite Porete's *Mirror of Simple Souls*, and the Latin commentaries and vernacular sermons of Eckhart, Hollywood

uncovers the intricate web of influence and divergence between the beguinal spiritualities and Eckhart *Nicholas of Lyra's Place in Franciscan Exegesis* James M. Wilson,Nadia Margolis,2004 The encyclopedia covers the myriad experiences and contributions of women in de medieval world **Corpus Documentorum Inquisitionis Haereticae Pravitatis Neerlandicae: Verzameling Van Stukken Pauselijke en Bisschoppelijke Inquisitie in de Nederlanden** Paul Fredericq,1896
