Persuading Annie:

Persuading Annie Melissa Nathan,2009-10-13 After years as a sweet good natured pushover Annie Markham has had to face up to three hard truths You ve got to be tough to succeed in business and romance Sometimes your meddling loved ones areright about your worthless no good boyfriend being worthless and no good The only reliable thing about men is thatthey re totally unreliable Okay she s been persuaded So now seven years after wisely and abruptly dumping the love of her life Jake Mead things should be going better for Annie Markham right Unfortunately her life s going nowhere her family s going mental and the family business is heading straight down the tubes Could it get worse Of course Jake s back Annie s getting ready for bankruptcy and no one s ready for Christmas let alone a happy New Year And no amount of persuasion will ever convince Annie that magic does happenand dreams do come true not even at the stroke of midnight on December 31 at New York s Plaza Hotel will it

From Moccasins to Cowboy Boots Lloyd Antypowich,2013-04-03 Lloyd Antypowich has always given his all in everything he has chosen to do He wore many different hats on the way to achieving his dream of becoming a rancher This is a compelling story of his journey and the many paths he traveled to make it a reality His life began in a time of struggle and hardship when his immigrant family lived in the frontier of the northern Saskatchewan wilderness with none of the amenities of the modern world It stretched across the decades to a time when he saw man go to the moon and back Today he lives in a time when new technology has created a world that his ancestors could never have imagined His early childhood years were lived in a time when man used horse and buggy for transportation when the hospital was more than a hundred miles away so he was born at home with his grandmother acting as midwife when the native Indians who lived in teepees just over the hill befriended his family and taught them how to make moccasins He lived life in times when the bathroom was outside and when it was forty below the toilet seat was just as cold the Eaton s catalogue was something you read while you were contemplating before you had to tear the page because there was no toilet paper This is a simple account of his determination to fulfill a lifelong dream of owning a ranch in the mountains and make cowboy boots his
