

Initiating Group

Project scope and goals defined in initiation influence the detailed plans developed in the planning phase.

Planning Group

Plans and schedules from the planning group directly affect the execution phase (when are activities executed and in what manner)

Executing Group

The work done in the executing group will be monitored, controlled, and continuously evaluated in the next group.

Monitoring and Controlling Group

The monitoring and controlling group interacts with all other process groups, so that project goals and standards are met.

Closing Group

All activities are completed and the project is properly concluded.
